Something I can say about my school is that it has many people who work hard to make it better. I can also say that it has strong connection between students and teachers. I can say that the food is bad and I think the school can do better than that. Otherwise, everything is fine.

Parent

That Spanish and English is spoken at meetings. Also that there should be security to help children cross the streets American st and Hunting Park because there have been some incidents of cars running over people.
