school is so boring I hate it so much

Parent

Franklin Towne Charter Elementary School has a student body in excess of 900 students but it has the feel of a much smaller school. The teachers and staff take the time to get to know each child individually. When I am at the school they know who I am and who my child is without introduction...

I think there should be sports teams

Parent

We love Franklintonne, we couldn't have asked for a better school. If I had a wish list, I wish they had an art program, library and a sports program. The one thing that I really wish they did was a back to school night in October and we would get to meet and speak with ALL of my children's teachers in addition to Bring a parent to school day.
