STOP ALL BULLYING!!!

Parent

My child has attended public and parochial school in the past seven years, Green Woods Charter is by far the best school my child has attended. GWCS has helped my child grow academically, socially, and emotionally...

Teacher

I feel we have a huge push in our school to be using technology, however, we are not one-to-one as far as technology is concerned. Because of how my classes are scheduled, it is hard for me to consistently reserve technology to be used in my class. If we were one-to-one, or I had dedicated technology just for my class, I would be using it everyday.
