What did people say on the survey? (Comments appear as written)

Student

The staff in this school (teachers, councilors) are very biased about the way they treat students. I believe it's unfair and I can see how the students are negatively responding to this as there is not much respect we have for our staff.

Parent

My child's teachers have been extremely supportive and encouraging with my parenting.

Teacher

I am proud to be a teacher at Mariana Bracetti Academy Charter School!

The colored dots indicate the extent of the most positive feedback provided for each topic and subtopic (e.g. "strongly agree"). Black dots correspond to the lowest quartile (less positive feedback) and green dots the highest (more positive feedback). Dashes mean we did not ask a group about a given topic.
