Student

Multi-Cultural Academy Charter is a great learning institution for any student who wants to excel in life. The teachers strive for your academic best and wish that you work hard.

Parent

I would like the teachers to have more contact with the parents via email or phone if a child is starting to slack on their work or are missing assignments. I only hear about it on interim reports or at conferences. Other than that, I love my child's school.

Teacher

The admission is fantastic at my school. Teachers work very hard and care about what they do. Our strict school rules and high expectations for students enable students to grow and produce quality work.
