Student

I think they need more stuff fixed. And more teachers need to be more nicer. And teachers need to change their additude.

Parent

WOLCS is a great school. If they can put more effort in the maintenance of the school. The bathrooms are in bad condition (kindergarten area and cafeteria).

Teacher

As a teacher who has worked in both the public sector (for the Philadelphia SD) and then for a stand-alone charter, I have greatly appreciated my experiences in both realms. The schools that I have taught in have put students first, and they have been institutions of learning, success and safety.

The colored dots indicate the extent of the most positive feedback provided for each topic and subtopic (e.g. "strongly agree"). Black dots correspond to the lowest quartile (less positive feedback) and green dots the highest (more positive feedback). Dashes mean we did not ask a group about a given topic. Indicators can be used to easily identify a school's relative strengths and areas most in need of support.

SCHOOL ROCKS!!!!

Parent

Wolcs is more than a school. ...it's a community that works together to ensure the childs success.

Teacher

Please actually help us with professional development. Professional Development is extremely needed in our school. I believe it is part of the reason that our school is not functioning as well as it could be.
