Rtl should have its own icon on the landing page when you log into Schoolnet. I feel like finding it way too time-consuming. Everyone is pressed for time so any aspect of our day that can be made easier should be made easier...

Actually cook the chicken that is served for lunch. I should not have to eat raw chicken simply because I attend this school. Its not fair to me or anyone else.

Parent

We are very happy with the change in administration this year--the new Principal has done an excellent job!

Teacher

We need more teachers, Period. We need more time for preparation. We will be teaching 6 classes next year and it is too much. There are teachers with 5 different preps. It is insane.
