CENTRAL HIGH SCHOOL IS THE BEST IN THE WORLD

Parent

According to my student Centrals teacher's do not necessarily encourage the students to work hard, it is the overall expectation & climate of the school.

Teacher

Ban the SRC and let our parents, educators, and lawmakers have local control.

The colored dots indicate the extent of the most positive feedback provided for each topic and subtopic (e.g. "strongly agree"). Black dots correspond to the lowest quartile (less positive feedback) and green dots the highest (more positive feedback). Dashes mean we did not ask a group about a given topic. Indicators can be used to easily identify a school's relative strengths and areas most in need of support.

DID NOT MEET REPORTING THRESHOLD

Teacher

This survey is way too long. To read and to thoughtfully respond to these questions is a 30 minute commitment. I would suggest narrowing the scope of the survey and abbreviating it. This might allow more completion.
