

# 2015-2016 District-Wide Survey Feedback

## School: Key, Francis Scott

This feedback is from parents/guardians, students, and teachers who took the 2015-2016 District-Wide Surveys. The surveys included questions on five topics related to school success: **Climate, Instruction, Leadership, Professional Capacity, and Parent/Guardian-Community Ties.**

### How many people took the surveys?

|   |     |
|---|-----|
| % of students at your school who took the survey          | 96% |
| % of parents/guardians at your school who took the survey | 19% |
| % of teachers at your school who took the survey          | 41% |

### How positive was the feedback for each topic?

| Survey         | Climate    | Instruction | Leadership | Professional Capacity | Parent/Guardian-Community Ties |
|----------------|------------|-------------|------------|-----------------------|--------------------------------|
| Student        | 63%        | 65%         | --         | --                    | --                             |
| Parent         | 82%        | 50%         | --         | --                    | 42%                            |
| Teacher        | 35%        | 70%         | 51%        | 24%                   | -                              |
| <b>OVERALL</b> | <b>60%</b> | <b>62%</b>  | <b>51%</b> | <b>24%</b>            | <b>42%</b>                     |

### How positive was the feedback overall?

The five angles on the pentagon represent the five topics on the surveys. The closer the blue score line is to the outer green line, the higher the overall score in the topic represented at that angle.

### What did people say on the survey? (Comments appear as written)

#### Student

*it is so nice and i love to learning so i can be a teacher and be a doctor*

#### Parent

*i appreciate everything that my childs teachers does for them*

#### Teacher

*A support staff position for an in-school suspension room would be helpful. Communication (lack of, or inappropriately done ) at our school is an on-going problem.*

### What subtopics were included? How positive was the feedback for each subtopic?

| Topic   | CLIMATE   |          |                           |                                   |         |                            |                         |                     |  |
|---------|-----------|----------|---------------------------|-----------------------------------|---------|----------------------------|-------------------------|---------------------|--|
|         | Belonging | Bullying | Safety/Building Condition | Student-centered Learning Climate | Respect | Classroom-level Challenges | School-level Challenges | External Challenges |  |
| Student | 59%       | 77%      | 52%                       | --                                | --      | --                         | --                      | --                  |  |
| Parent  | --        | 84%      | 80%                       | --                                | --      | --                         | --                      | --                  |  |
| Teacher | --        | 72%      | --                        | 18%                               | 53%     | 20%                        | 38%                     | 11%                 |  |

| Topic   | INSTRUCTION                       |                    | LEADERSHIP              |                      | PROFESSIONAL CAPACITY |            |                | PARENT/GUARDIAN-COMMUNITY TIES |                                     |
|---------|-----------------------------------|--------------------|-------------------------|----------------------|-----------------------|------------|----------------|--------------------------------|-------------------------------------|
|         | Evaluation of Teaching & Learning | Student Engagement | Expectations & Feedback | Inclusive Leadership | Innovation            | PD quality | PD Consistency | Communication Quality          | Parent/Guardian School Relationship |
| Student | 65%                               | --                 | --                      | --                   | --                    | --         | --             | --                             | --                                  |
| Parent  | 50%                               | --                 | --                      | --                   | --                    | --         | --             | 46%                            | 38%                                 |
| Teacher | 87%                               | 52%                | 64%                     | 39%                  | 35%                   | 17%        | 20%            | --                             | --                                  |

### What do the colored dots mean?

| Indicator                     | ●        | ●         | ●         | ●        | --           | No Score                      |
|-------------------------------|----------|-----------|-----------|----------|--------------|-------------------------------|
| Percentage Positive Responses | 0%-24.9% | 25%-49.9% | 50%-74.9% | 75%-100% | Not measured | Not enough responses to score |

The colored dots indicate the extent of the most positive feedback provided for each topic and subtopic (e.g. "strongly agree"). Black dots correspond to the lowest quartile (less positive feedback) and green dots the highest (more positive feedback). Dashes mean we did not ask a group about a given topic. Indicators can be used to easily identify a school's relative strengths and areas most in need of support.

# 2014-2015 District-Wide Survey Feedback

## School: Key, Francis Scott

This feedback is from parents/guardians, students, and teachers who took the 2014-2015 District-Wide Surveys. The surveys included questions on five topics related to school success: **Climate, Instruction, Leadership, Professional Capacity, and Parent/Guardian-Community Ties.**

### How many people took the surveys?

|   |     |
|---|-----|
| % of students at your school who took the survey          | 81% |
| % of parents/guardians at your school who took the survey | 8%  |
| % of teachers at your school who took the survey          | 80% |

### How positive was the feedback for each topic?

| Survey         | Climate    | Instruction | Leadership | Professional Capacity | Parent/Guardian-Community Ties |
|----------------|------------|-------------|------------|-----------------------|--------------------------------|
| Student        | 61%        | 63%         | --         | --                    | --                             |
| Parent         | 77%        | 43%         | --         | --                    | 50%                            |
| Teacher        | 35%        | 74%         | 36%        | 31%                   | -                              |
| <b>OVERALL</b> | <b>58%</b> | <b>60%</b>  | <b>36%</b> | <b>31%</b>            | <b>50%</b>                     |

### How positive was the feedback overall?

The five angles on the pentagon represent the five topics on the surveys. The closer the blue score line is to the outer green line, the higher the overall score in the topic represented at that angle.

### What did people say on the survey? (Comments appear as written)

#### Student

It is AWESOME, PHENOMENAL, and FANTASTIC

#### Parent

to add health education classes at key school... to serve hot lunches rather than sometimes serving it cold

#### Teacher

I would like for the teachers to be involved in the implementing of curriculum. Also, I would like to see the high stake testing (PSSA, ACCESS, etc.) stopped.

### What subtopics were included? How positive was the feedback for each subtopic?

| Topic   | CLIMATE   |          |                           |                                   |         |                            |                         |                     |  |
|---------|-----------|----------|---------------------------|-----------------------------------|---------|----------------------------|-------------------------|---------------------|--|
|         | Belonging | Bullying | Safety/Building Condition | Student-centered Learning Climate | Respect | Classroom-level Challenges | School-level Challenges | External Challenges |  |
| Student | 57%       | 77%      | 51%                       | --                                | --      | --                         | --                      | --                  |  |
| Parent  | --        | 79%      | 76%                       | --                                | --      | --                         | --                      | --                  |  |
| Teacher | --        | 57%      | --                        | 33%                               | 61%     | 18%                        | 31%                     | 12%                 |  |

| Topic   | INSTRUCTION                       |                    | LEADERSHIP              |                      | PROFESSIONAL CAPACITY |            |                | PARENT/GUARDIAN-COMMUNITY TIES |                                     |
|---------|-----------------------------------|--------------------|-------------------------|----------------------|-----------------------|------------|----------------|--------------------------------|-------------------------------------|
|         | Evaluation of Teaching & Learning | Student Engagement | Expectations & Feedback | Inclusive Leadership | Innovation            | PD quality | PD Consistency | Communication Quality          | Parent/Guardian School Relationship |
| Student | 63%                               | --                 | --                      | --                   | --                    | --         | --             | --                             | --                                  |
| Parent  | 43%                               | --                 | --                      | --                   | --                    | --         | --             | 51%                            | 49%                                 |
| Teacher | 88%                               | 59%                | 49%                     | 23%                  | 36%                   | 23%        | 32%            | --                             | --                                  |

### What do the colored dots mean?

| Indicator                     | ●        | ●         | ●         | ●        | --           | No Score                      |
|-------------------------------|----------|-----------|-----------|----------|--------------|-------------------------------|
| Percentage Positive Responses | 0%-24.9% | 25%-49.9% | 50%-74.9% | 75%-100% | Not measured | Not enough responses to score |

The colored dots indicate the extent of the most positive feedback provided for each topic and subtopic (eg. "strongly agree"). Black dots correspond to the lowest quartile (less positive feedback) and green dots the highest (more positive feedback). Dashes mean we did not ask a group about a given topic. Indicators can be used to easily identify a school's relative strengths and areas most in need of support.
