I liked the Two Chairs at a Desk. I was able to see what my daughter is learning at school.

I would like for principals to support and assist teachers with difficult students - who are consistent behavior problems, instead of teachers being told to handle the students on their own.

The colored dots indicate the extent of the most positive feedback provided for each topic and subtopic (e.g. "strongly agree"). Black dots correspond to the lowest quartile (less positive feedback) and green dots the highest (more positive feedback). Dashes mean we did not ask a group about a given topic. Indicators can be used to easily identify a school's relative strengths and areas most in need of support.
