It would be great to feel respected and valued from the administration and FINALLY receive our step increases AND a cost of living increase. Gas, milk, childcare prices, etc. are all rising and the teachers at the school district have remained here with the same pay for five years now. It is ridiculous and causing every good teacher to leave!

Percentage Positive Responses	0%-24.9%	25%-49.9%	50%-74.9%	75%-100%	Not measured	Not enough responses to score

The colored dots indicate the extent of the most positive feedback provided for each topic and subtopic (e.g. "strongly agree"). Black dots correspond to the lowest quartile (less positive feedback) and green dots the highest (more positive feedback). Dashes mean we did not ask a group about a given topic. Indicators can be used to easily identify a school's relative strengths and areas most in need of support.
