My suggestion is to have reduce class size and increase support staff. As I have 38 students in my class. We need supply of laptops, smart boards, and computers.in our school.

What do the colored dots mean?

Indicator					--	No Score
Percentage Positive Responses	0%-24.9%	25%-49.9%	50%-74.9%	75%-100%	Not measured	Not enough responses to score

The colored dots indicate the extent of the most positive feedback provided for each topic and subtopic (e.g. "strongly agree"). Black dots correspond to the lowest quartile (less positive feedback) and green dots the highest (more positive feedback). Dashes mean we did not ask a group about a given topic. Indicators can be used to easily identify a school's relative strengths and areas most in need of support.

To be consistent with RTii, and feedback. Create motivation for students to develop their interest, and learning skills. Believe that all students can learn.
