There is no support for teachers or students. We are in a Little School House and we have no security, no access to the nurse and no supplies. There are many students with behavioral issues we have overall no support. Many children can not learn because of this situation.

Indicator	●	●	●	●	--	No Score
Percentage Positive Responses	0%-24.9%	25%-49.9%	50%-74.9%	75%-100%	Not measured	Not enough responses to score

The colored dots indicate the extent of the most positive feedback provided for each topic and subtopic (e.g. "strongly agree"). Black dots correspond to the lowest quartile (less positive feedback) and green dots the highest (more positive feedback). Dashes mean we did not ask a group about a given topic. Indicators can be used to easily identify a school's relative strengths and areas most in need of support.
