What did people say on the survey? (Comments appear as written)

Student

i would like the school to be cleaner and nicer and a bully free zone and maybe better food in the lunch room, cleaner bathrooms and no more bullying.

Parent

Prince Hall i feel exceeds expectations the teachers are caring and concerned about their students and they make the students and parents feel at home.

Teacher

As teachers, we are expected to handle classroom disruption due to poor behavior while providing instruction to 30 or more students. There are just to many students in the classroom to meet all of their needs...

Indicators can be used to easily identify a school's relative strengths and areas most in need of support.
