Bring back the mentoring programs for new teachers or teachers at new schools. Assign them to a mentor teacher at the new school. It should be someone who teaches the same subject and/or grade cluster.

The colored dots indicate the extent of the most positive feedback provided for each topic and subtopic (e.g. "strongly agree"). Black dots correspond to the lowest quartile (less positive feedback) and green dots the highest (more positive feedback). Dashes mean we did not ask a group about a given topic. Indicators can be used to easily identify a school's relative strengths and areas most in need of support.
