we need crossing guard o 5th & cayuga

Teacher

Stop linking suspensions with school climate. Students need consequences for their behavior. We should not be discouraged from suspending students because it will "look bad" on our ratings. Students should not be permitted to disrupt class for any reason--foul language, bullying, violence...

The colored dots indicate the extent of the most positive feedback provided for each topic and subtopic (e.g. "strongly agree"). Black dots correspond to the lowest quartile (less positive feedback) and green dots the highest (more positive feedback). Dashes mean we did not ask a group about a given topic. Indicators can be used to easily identify a school's relative strengths and areas most in need of support.

yes, i like the new prinsiple i feel comftibe in my school.

Parent

Teacher's in school need to be in uniform Don't Know how to dress.

Teacher

More coaching and modeling for new teachers in order for the the transition to be smooth. There is a lack of training for most school procedures. Teachers are briefed and then expected to follow endless amounts of protocol with very little guidance. It can be overwhelming! Thank you!
