The colored dots indicate the extent of the most positive feedback provided for each topic and subtopic (e.g. "strongly agree"). Black dots correspond to the lowest quartile (less positive feedback) and green dots the highest (more positive feedback). Dashes mean we did not ask a group about a given topic. Indicators can be used to easily identify a school's relative strengths and areas most in need of support.

...The Deans run the school, and in both positive and negative ways they impact student behavior more than anyone else. They create the climate (as much as the kids do) with their nearly constant interactions with the students. There has been only 1 whole school meeting, despite daily fights and virtually constant suspensions...
